

Vote for a Waterloo Region that invests in people

People are the foundation of Waterloo Region's prosperity. The challenges we face are interconnected, so our solutions must be as well. Investing in sufficient income, housing, health, food security, transportation, a healthy environment, and local employment and business growth, combined with strong local decision-making, strengthens our economy and our communities.

Vote for a Waterloo Region that invests in people.

Vote for		Platform Commitment
✓	Affordable Housing	Build more truly affordable and social housing and invest in the infrastructure needed to support it.
✓	Prevent and End Homelessness	Address its root causes through housing, income security, and coordinated supports.
✓	Protect Public Health Care	Defend public healthcare and ensure everyone can access the care they need when they need it.
✓	Advocate for a Basic Income Guarantee	Call on the provincial and federal governments to implement a Basic Income Guarantee as an economic investment that provides income stability during employment transitions, addresses the labour impacts of artificial intelligence, reduces poverty, and strengthens local economies.
✓	Strengthen Food Security	Protect farmland, strengthen local food production, and ensure everyone has access to affordable, nutritious food.
✓	Protect Environment, Climate and Natural Resources	Protect our water, green spaces, and natural heritage while reducing urban heat and building communities that are resilient to a changing climate.
✓	Manage Land Use and Growth	Manage growth by protecting farmland and natural heritage, directing development to appropriate locations, while ensuring liveable, sustainable communities.
✓	Invest in Transportation	Invest in a safe, affordable, accessible, and connected transportation system that connects people to housing, employment, education, healthcare, and community life.
✓	Invest in Infrastructure	Ensure growth is accompanied by transportation, parks, schools, utilities, and community infrastructure. Source: Liveable Ontario Roadmap
✓	Protect Local Governance and Democracy	Stand up for local democracy by ensuring decisions about Waterloo Region are made by the people who live here and the representatives they elect.
✓	Electoral Reform	Establish an independent, non-partisan National Citizens' Assembly on Electoral Reform to recommend reforms that strengthen representation, participation, and public confidence in democracy.
